CORRIGENDUM No: 1**to the****Application package for the “Open call for proposals/sub-granting”****Publication reference: 2024/460-764****Subject:** Correction of the Annex 1_Application form**Published:** 22.07.2025.

Reasons for change: It is noticed that, due to a technical error, sections 5 (Team members), 6 (Check list) and 7 (Statement of the Applicant) of the Annex 1 are missing from the uploaded version of the document.

Other additional information: The corrected version of the **Annex 1_Application form** is now available instead of the previous version. All the applicants that have been using the previous version will not be eliminated on that ground, but will be asked for additional information during the first stage of evaluation. All other terms and conditions of the Guidelines and Application package remain unchanged. The above corrections to the Annex 1 are integral part of the Annex 1.
